1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

IN THE CLAIMS

Claim 27, line 3, "write" has been changed to --writer--.

2. Authorization for this examiner's amendment was given in a telephone interview with Mr. Olson on 4/24/01.

3. The following is an examiner's statement of reasons for allowance:

Bowers et al (US 5,963,134) discloses a portable RFID scanner 42 and portable computer 122 usable together (Fig. 9 and col. 15); however, Bowers et al fails to teach that these elements may be combined into an "integrated unit", as set forth in claim 26. Regarding newly added claims 65-68 (which had not been considered at the time prosecution on the merits was closed, see 4/4/01 Office action), support for these new claims is found in the original specification from page 24, line 29 to page 26, line 13, and these claims are allowed based on their being dependent (directly or indirectly) from allowable independent claim 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tom Mullen whose telephone number is (703) 305-4382. The examiner can normally be reached on Mon-Thur from 6:30AM to 4:00PM. The examiner can also be reached on alternate Fridays (6:30-3:00).
